November 2021

From the Principal...

Parents,
Happy November! In this month of giving thanks, we as a staff want to express our deepest thanks to our families and community for supporting Stewart. We appreciate your patience and flexibility and the extra skill practice with your kids. Research shows that students with involved parents are socially more adjusted and academically more successful. Thank you for the support you provide both in and out of the classroom. It truly makes all the difference. Together we make Stewart a wonderful place to learn and grow!

Don't Forget!

Daylight Savings Time ends on November 7th so we'll turn our clocks backward one hour. Good news, we'll not be starting our day in the dark for a while.

PTA

Join us for our next PTA Meeting on November 9th at 7 PM in the Stewart Library.

Colder Weather

- In efforts to promote wellness and fitness for our children, we want the students to play outdoors as long as it is not too cold. Please be sure your child comes to school properly dressed for the weather.

- Students should not arrive at school before 7:55 AM (for breakfast) 8:05 AM (for all others). As the weather gets colder and the mornings are darker, please make arrangements for your child in the mornings if you have not already.

Lost and Found

Reminder, our lost and found is cleaned out weekly. **Please write your child's name on items.** Even a first name and a class code can ensure the item is returned to them in a timely manner. Our Lost and Found tends to be overflowing this time of year.

I would like to wish all Stewart families a Happy Thanksgiving and a wonderful start to the Holiday Season.

Wishing you bountiful blessings,
Mrs. Carpenter

Mejore el nivel de protección de su mascarilla

Al escoger una mascarilla, fíjese qué tan bien se ajusta y filtra el aire, y cuántas capas tiene:

1. Asegúrese de que su mascarilla se ajuste bien a su cara.
2. Escoja una mascarilla con más de una capa para mantener sus gotitas respiratorias adentro y las de otros afuera.

Haga lo siguiente:

Mejore el ajuste

Escoja una mascarilla con alambre de ajuste sobre la nariz

Póngase un ajustador o asegurador

Revise que no le quede floja sobre la nariz, la boca y el mentón

Añada capas de material

2 maneras de agregar capas

- Use una mascarilla de tela que tenga varias capas.
- Póngase una mascarilla desechable debajo de una de tela. La mascarilla de tela debería presionar los bordes de la desechable contra la cara.

Asegúrese de que pueda ver y respirar fácilmente

Anude y no deje sueltas las tiras para las orejas de las mascarillas de 3 capas

NO haga lo siguiente:

Combinar dos mascarillas desechables
