## A Note From the Principal

Stewart Families,

Happy November! In this month of giving thanks, we, as a staff, want to express our deepest gratitude to our families and community for supporting Stewart Elementary. We appreciate you partnering with us to make our school the best it can be. Research shows that students with involved parents are socially better adjusted and academically more successful. Together, we make Stewart a wonderful place to learn and grow!

## Lost and Found

Reminder, our lost and found is cleaned out monthly. Please write your child's name on items. Even a first name and a class code can ensure the item is returned to them in a timely manner.

Our Lost and Found tends to be overflowing this time of the year.

Thank you!

Sincerely,

Deanna Carpenter, Principal

# BUT IT'S JUST 10 MINUTES

- How do you feel when you are late for work, an appointment, a movie, or plans with family or friends?

We have all been in these situations and understand that being late can make us feel anxious, nervous, embarrassed, or even frustrated.

## Attendance Matters

Being just 10 minutes late per day for school can really add up.

That's about an **HOUR** per week

OR

**1 1/2 WEEKS** per school year

OR

**1/2 a SCHOOL YEAR** over a school career.

Building good habits, such as being on time, can help your child accomplish their goals.

## ***American Education Week***

Take the time to celebrate greatness in your school community during November 13 - 17 for American Education Week! SPS is growing greatness and we wanted to share some of the latest news. Our district is proud of who we are and proud of what we do!

- SPS is always looking for new and engaging ways to make STEM approachable and fun. At South Middle School, students are learning how to fix, fly, and fine tune their technical skills with the brand new Drone Club. Students meet once a week to practice using a simulator and take turns piloting the drones around the classroom.
- The Growing Greatness Award is a new program celebrating the staff in our buildings. Our very first winner in September was Jayne Benson, an FNS cook. Congrats to an amazing staff member whose work supports our teachers and students! This award is sponsored by Nex-Tech.

Check out our district social media pages from November 13-17 to learn more about the greatness that takes place every day, thanks to the amazing staff and community in our buildings.

## ***ARE YOU HUNGRY ?***

You are welcome to eat lunch with your student(s). If you plan to join, please call the Stewart office before 9 a.m. so we have space ready for you. Lunch for adults is \$4.75 (cash or check please). Reminder, we do not permit fast food in the lunchroom. You may order a school lunch, bring a sack lunch from home or simply visit with your child.

Breakfast and Lunch Menus can be found on the Stewart website under Menus or the Meal Viewer App on your phone.

Thank you for taking an active role in your child's school day.
